DISRUPTIVE LEADERSHIP:

A 3-5 day leadership programme that elevates team behaviours to confidently disrupt & lead change

Disruptive Leadership

A POWERFUL FRAMEWORK FOR SUSTAINABLE GROWTH

- If you want your teams to innovate, be creative and adapt in dynamic environments then you must lead with a disruptors mindset.
- Work with your coach and your team to develop a clear vision for the future whilst embedding data & AI to anticipate & leverage emerging trends.
- Get uncomfortable, test your limits and rethink your behaviours in order to lead change and capitalise on opportunities.
- **WHAT TO EXPECT**
 - 3-5 full days on-site or remote access workshops
 - Pre-event planning to address your unique organisational needs
 - Delivered by experienced coaches and specialist data leaders
 - Simulations that mimic organisational blockers to challenge disruptive thinking and reflective feedback loops
 - Coached sessions that explore complex business concepts
 - Simulations embed the use of data and AI to drive decision making

Align your leadership as you explore real-world scenarios that challenge how you use data & AI to inform decisions

Investigate situations and the impact of data-driven decisions & risk taking vs instinctive leadership

Stay relevant and support long term growth by nurturing adaptable mindsets that are ready to evolve, as circumstances change.
